REISEROUTE

DAY 1 – TORONTO

After clearing Canada Customs, obtain your rental car from the airport. As the world's most ethnically diverse city, Toronto has distinctive shopping districts and markets that offer a wide range of unique experiences. These vibrant retail areas include Queen Street West, Kensington Market, St. Lawrence Market, five Chinatowns, Little Italy along St. Clair West, the Greek community along "The Danforth," Little Portugal at Dundas and Bathurst Streets, and Gerrard India Bazaar at Gerrard and Greenwood.

Overnight in Toronto.

DAY 2 – HUNTSVILLE 293 KM

Today, travel north to the magnificent Muskoka Country, with sparkling clean lakes shimmering under brilliant blue skies, the whisper of warm breezes in majestic white pines, and the haunting cry of loons—the essence of the north. This area has long been a favourite for the people of Southern Ontario for vacations and weekend getaways to the cottage by the lake.

Overnight in Huntsville.

DAY 3 – HUNTSVILLE

Warm weather activities and amenities are yours to enjoy today. Spend some time by one of the lakes in the area, rent a canoe or perhaps golf at one of the dozens of courses in the area.

Overnight in Huntsville.

DAY 4 – OTTAWA 298 KM

Time to travel again, heading east into Algonquin Provincial Park. Take your time, enjoy the scenery, visit the interpretation centre, and watch out for wildlife. Your destination today is Ottawa, Canada's capital. With unique history, geography and lifestyle, it offers a wide variety of urban attractions: many of Canada's best museums and cultural facilities, as well as the Parliament Buildings and other historical structures and major institutions located in the Capital area.

Overnight in Ottawa.

DAY 5 - OTTAWA

There are many different sites for you to visit in the Capital Region. Perhaps you'd like to take a cruise on the Rideau Canal, or a journey on the Hull – Wakefield Steam Train. Other must-sees include the training centre for the Musical Ride of the Royal Canadian Mountain Police and the Canadian Museum of Civilization in Gatineau across the river from Ottawa. An evening's fun and entertainment can be had at the Casino de Lac Leamy in Gatineau, and we have included VIP Access in your package.

Overnight in Ottawa.

DAY 6 – TREMBLANT 130 KM

Today, cross the Ontario border into Québec and travel to the Tremblant region. Father Labelle chose Tremblant's site in the mid-1800s for the richness and fertility of the soil, and plentiful access to waterways. Tremblant offers friendly service, diversified cuisine, an array of activities and contagious joie de vivre, which will enchant you from the first moment you arrive.

Overnight in Tremblant.

DAY 8 – MONTRÉAL 100 KM

Today, continue on to Montréal, founded in 1642 with the first French settlers. Montréal showcases its history and its future in architecture with graceful gray stones, sultry red bricks, shiny aluminium, and green and blue-tinted glass. Because these building materials were wielded by some of the brightest architectural minds of the past two centuries, Montréal's urban landscape is nothing short of fascinating.

Overnight in Montréal.

DAY 9 – MONTRÉAL

As the second largest French-speaking city in the world, Montréal offers a fascinating mix of both the French and English cultures. Some of the finest shopping and dining in North America awaits you. We have included a voucher in your documents that is valid at four different restaurants and is good for \$50.00 towards your bill, so you choose the restaurant and decide what to eat. Bon appetite!

Overnight in Montréal.

DAY 10 – KINGSTON 290 KM

Returning to Ontario today, you will stop in Kingston, the first capital of the united Upper and Lower Canada's before the National Seat of Government was moved to Ottawa in the 1840s. It's renowned as the freshwater sailing capital of North America and prides itself in being a major port for scenic entertainment cruises of the breathtaking Thousand Islands.

Overnight in Kingston.

DAY 11 – KINGSTON

Today take a cruise with Gananoque Boat Lines through the Thousand Islands. Stroll the streets of Kingston and view its turn of the century limestone buildings.

Overnight in Kingston.

DAY 12 – TORONTO 261 KM

Back in Toronto today, enjoy the waterfront – one of North America's largest recreational waterfronts. It's a scenic backdrop for many popular and entertaining attractions including Harbourfront, Ontario Place, Skydome, the CN Tower, and the Toronto Islands. Downtown Toronto offers museums and art galleries galore including The Royal Ontario Museum (ROM), one of the top 10 museums in the world; the Art Gallery of Ontario (AGO), Canada's oldest art gallery; and the Ontario Science Centre. Overnight in Toronto.

DAY 13 – TORONTO (NIAGARA FALLS) 130 KM

Today, take a leisurely day trip to Niagara Falls, the honeymoon capital of the world. Niagara is more than the spectacle of Niagara Falls, it's the aroma of ripening grapes for wine and the taste of succulent fresh fruit, it's theme parks or to history buffs, it's the 20 historical museums, two reconstructed forts, and it's the historic charm of Niagara on the Lake. For sportsmen, the Niagara region has over 40 golf courses, plus great fishing on Lakes Ontario and Erie.

Overnight in Toronto.

DAY 14 – DEPART

It is time to depart from Toronto's International Airport, so don't forget to reconfirm your flight and departure terminal at check-in.
